

## PAMERCOURSES TRAINING EVALUATION FORM

1. Do you think you have been informed and supported well about the course program and organisation before your arrival ?

yes.

2. Please Write to what extent the course program contributed to your Professional development ? How do you hope to change your practice as a result of this training?

I learned a lot of new things, especially games that I can use to make my lessons more fun. I learned a lot about Turkish culture and habits and educational system.

3. What did you like most about this training?

I liked the topic and the programs presented, I liked the visit at the local school, the food and the cultural visits. I liked the fish that we ate on the river banks of Boson.

4. What aspects of the training could be improved?

I don't know because it was a great training course.

5. Please write your opinions regarding the organisation (Accommodation, Cultural visits, Meals etc)

I enjoyed the hotel and all the meals were delicious and in a new place every time. The cultural visits were very good organised with a local guide.

6. Please write at least three innovative tools or apps you learnt through this course. And how do you plan to use them in your classes?

I like to use Popplet, Prezi and Kahoot in my future classes to make children enjoy more chemistry.

7. What do you think about effectiveness of the course trainers and leaders?

It is an efficient training course because it has a lot of new things to learn about and the trainers work hard to provide all the information you need.

8. Please share other comments here or expand on previous responses here.

I was a very good and interesting training course
