

PAMERCOURSES TRAINING EVALUATION FORM

1. Do you think you have been informed and supported well about the course program and organisation before your arrival?

I was well informed about the course by the organizer before arriving.

2. Please Write to what extent the course program contributed to your Professional development? How do you hope to change your practice as a result of this training?

The program has expanded my knowledge of activating methods. I will use these programs in physics and math lessons.

3. What did you like most about this training?

Dynamics of training. Way of transferring knowledge.

4. What aspects of the training could be improved?

Nothing.

5. Please write your opinions regarding the organisation (Accommodation, Cultural visits, Meals etc)

The organization was very good.

6. Please write at least three innovative tools or apps you learnt through this course. And how do you plan to use them in your classes?

- prezit.com
- kahoot.com
- quizizz.com

I will use program kahoot in the lesson physics and math.

7. What do you think about effectiveness of the course trainers and leaders?

The trainee did her job well.

The lessons were interesting. The trainer motivated me to work.

8. Please share other comments here or expand on previous responses here.

I'm happy with the training, because I got to know new methods working on the lessons. I think that my lessons will be more attractive. I'm satisfied with the visit to Turkey. I think that this is a very interesting country and certainly come back here.

Thank you for your feedback
